YUHASH

WHY WORK WITH US?

Providing Unmatched Quality & Craftsmanship

Yuhash is one of the finest leather manufacturing company, we have implemented a system that ensures that all products are made with the same quality and deliver a final product that makes us proud and meets customer expectations.

TOP QUALITY LEATHER

Wide range of selection of full-grain and top-grain cow, buffalo, sheep, and goat skin leather from top tannery around the world.

HUGE PRODUCT LINE

We manufacture different product which are made from various speciality leathers, each with its own unique properties & beauty.

SKILLS & EXPERIENCE

Our skilled and experienced craftsmen are hungry for challenging projects and are willing to take projects of any size or complexity.

CUSTOM MANUFACTURING

We have expertise and experience to manufacture leather products as per specifications provided to fit into customer's product lines.

RIGOROUS QUALITY CONTROL

Our tiered quality control system ensures process integrity and product conformance with product specifications at all levels.

YUHASH

ADVANCES SUSTAINABILITY COMMITMENTS

Providing Unmatched Quality & Craftsmanship

We are situated in Kolkata, West Bengal, India where we have cultivated a long tradition of developing and producing high quality leather wallets and leather accessories.

OUR COMPANY

We combine a large-scale production capacity with a small scale handcraft production capability and maintain a constant focus on developing new products. We do this in close cooperation with customers in our production facility. We currently reach out to a wide variety of markets ranging from private label to designer

OUR VISION

Our vision is to change the market for leather wallets and leather accessories. In line with this vision we provide the global market with attractive leather products, produced in Kolkata and with care for man and nature.

OUR QUALITY

In addition to our focus on man and nature, maintaining exceptional quality is the foundation of our company and is the driving force behind all its decisions. Whether it involves which materials to purchase or the best way to serve our customers.

LEADERSHIP

As a known industry leader in our niche, we are used to working with all types of customers - local and global.

COMPETITIVE

We work in a highly competitive field and we therefore constantly work with improvements in order to challenge ourselves and our skills

COMMITMENT

We make sure that we stay ahead of the curve. Our commitment to quality guarantees customers success and satisfaction.

AMBITION

We aim to take a leading position in the transformation of the industry for leather wallets and leather accessories.
